

2019 Annual Individual Membership Application & Profile

The Maryland State Child Care Association offers the opportunity to become an "Individual Member" of the Association! This category is defined in the MSCCA By-Laws as: Individual Members shall be parents and other interested persons concerned with child care, *but not employed in a child care center*. The individual must want to help further the objectives and purpose of the Association. Individual Members may participate in the bi-annual Election as a candidate for *Member at Large*, but may not be a candidate for a position as an *Officer* on the Board of Directors. Individual Memberships may not exceed 10% of the number of full memberships.

The Annual MSCCA Membership Fee for an Individual Member is \$105.00. This fee entitles the member to attend all annual MSCCA conference functions at the member rate, email communications, mentorship opportunities and networking with colleagues. MSCCA Membership **excludes specific** legislative/lobbyist representation for individual members and family child care. Membership is renewable on an annual calendar year basis. If you work in, or own, a center-based program, you may not join as an individual.
