

**PGMSCCA Chapter Report  
January 2019**

We did not meet in December.

For January, we offered a CKO approved class that outlined grant/funding resources for programs.

We also worked with our Barry Benesch to find a bus company for our CBTS bus. As a result of generous sponsorship, the bus will be free of charge; however, members will have to pay a fee to secure a spot. The money will be refunded after the trip. For more details visit <https://www.pgmscca.org/bus-to-cbts.html>

Membership continues to grow.

MSDE Childcare Scholarship Program will be the guest speaker for our program in February. Drugnet will also present. They are the biggest sponsor for our CBTS bus.
