## October 22, 2019 Meeting Agenda

Speaker: DJ and Tracy Beard (Tracy will be presenting)

Speaker: Shaun Rose- Advocate for Early Childhood Education

**Leadership Symposium:** Centers are required by law to pay staff for their time doing trainings. Make sure centers are doing so as this becomes a law liability.

Template for center expenses to make sure centers are charging enough to meet the minimum wage requirements starting in January 2020. I was told it would be posted on the MSCCA Website as soon as Syretha Storey has it tweaked! (personally, I thought it was an amazing tool).

Myself, Miss April and Holly attended from Washington County.

**Regulation Changes:** Although I was told that we can hire staff with Bachelors Degrees and have 30 days to obtain the required trainings, Jennifer Campbell called Jennifer Nizer and was told this is not regulation yet and can't be done. (not sure where the discrepancy is).

**ECAC Meetings:** Please attend and voice your concerns. They are held quarterly at the Board of Education on Downsville Pike. Meeting for ECE tomorrow night (ask Claudia for details).

**Basket Ideas: ???** for MSCCA Conference by the Sea (May)

**State Board MSCCA:** Cancelled in October (Chris Peusch's stepmother passed away).
