Centers For Disease Control and Prevention (CDC).

The CDC is the best source for information about Keeping workplaces, homes, schools, or commercial establishments safe. [Click here](#) to access direct information about COVID-19.

Maryland State Child Care Association (MSCCA) is attuned to COVID-19's impact on our early childhood community. As such, we have curated a list of reputable resources that may be of value to you during these unprecedented times.

Like you, we are monitoring the news, listening to press conferences, and tuning in to other resources in hopes of learning more about the long term outcomes of this virus on our communities, families, and businesses.

We also encourage you to stay connected with your Regional Licensing Offices for MSDE updates.
