Co- President April Singleton/Kim Ritchey

- Child Care Scholarship. We understand the rumors that the funds will run out at the end of the year. From what we understand, those who are already in the program will be ok. Anyone new who applies may be put on a waiting list. As we find out any information, we will pass it on to you.
- 2. We need to take a basket down to the October Symposium. We want to take things that are local, as in Washington County. Mr. Chuck has dropped of some local wine. We were thinking about getting some canned peaches from a local orchard in Smithsburg. If you can think of anything local to add to our basket that would be great. Someone mentioned doing a charcutier basket.
- 3. How many of you are planning on going to the Symposium. If you are not signed up, | believe registration is still open. It is a great time to get together with other Directors and get some training hours.
- 4. The Passion for Excellence Grant will be coming out before long. They are trying something new. You will be able to do it all online or you can send everything in the mail like last year. From what we understand, in the online version it will not let you submit unless all documentation is attached.

^{**}If there is anything that you would like us to take about or speakers you would like us to try to get, please let us know.

^{**}Did anyone reach out to the Artist residency program?
