Co- President April Singleton/Harmony Wilson

1. Miss Kim has stepped down as Co-President so she can focus on being MSCCA Treasure. We would like to say a huge thanks to Harmony Wilson for being willing to be our new Co-President for the MSCCA Washington county chapter.
2. Just a reminder for anyone who is interested that the MSCCA Passion for Excellence grant is now open and it will close on March 13.
3. Conference By the Sea registration is open. This year's theme is Island/Survival.
4. Chris gave an update at the MSCCA meeting about credentialing. HB 1411 does indicate that credentialing will return in next fiscal year and MSCCA will continue to make sure the funding comes through.
5. Attached is General Assembly list of MSCCA priorities. Please look though so you understand all that MSCCA is working towards in House/Senate Bills.
6. We are working on our summer schedule field trips. If you would like to let others know some of the places that work or did not work to help each other out that would be wonderful.
7. You all should have received information from CJIS about the new form we are to be using. If you did not receive the form let us know and someone will forward the email to you. We have reached out to Office of Child Care about the new form. They told us this new form replaces the two other form (Privacy Rights and Privacy Act)
8. Yesterday we forwarded an email to you about SB462 and HB524. Please read over the email and reach out to your delegates to help push these bills to will help strengthen our education system and align policies with the real needs of children, families, and early childhood providers.
